NOTE: When a member of the Crystal Lake Chamber of Commerce is accepted as a member of a Network Group, a \$50 initial fee is charged. As of July 1st of each year, all Network Group Members will be billed.

If a member comes into any group after the groups have been billed the following will be pro-rated:

\$50 yearly each for the 1st and 2nd quarters (July-Dec)

\$25 for 3rd quarter (Jan-Mar)

\$12.50 for 4th quarter (Apr-June)

Half of the \$50/\$25/\$12.50 is applied to administrative costs of the Chamber. The other half is applied to network operational costs such as, materials bought that are required for Network participants - forms, brochures, social functions, etc.

Also, some groups have additional fees, such as room charges or breakfast fees. These are billed quarterly to each member of the group separately. Room charge fees are also an added amount put into their network fund.
